RFP 07-07 for Database Services**

Q1: Do you want more current and different addresses or do you want verification that the existing address is still valid?

A1: Both. However, if you are unable to provide both then please specify what you will be able to provide to PERF.

Q2: Does Exhibit C – Fee Worksheet – This form identifies hourly wages. Our prices are based on the number of input or per matched records. May we alter Exhibit C to better reflect our single and batch search fees?

A2: Yes. PERF will want the pricing to be as accurate as possible and based upon what the vendor can provide.

Q3: Are we to complete the Indiana Economic Impact Statement form and the W9 form and submit with our response or are we to complete the forms if we are awarded this contract?

A3: Yes, both forms need to be completed and submitted with the response.
